

# Captiva Island 2014

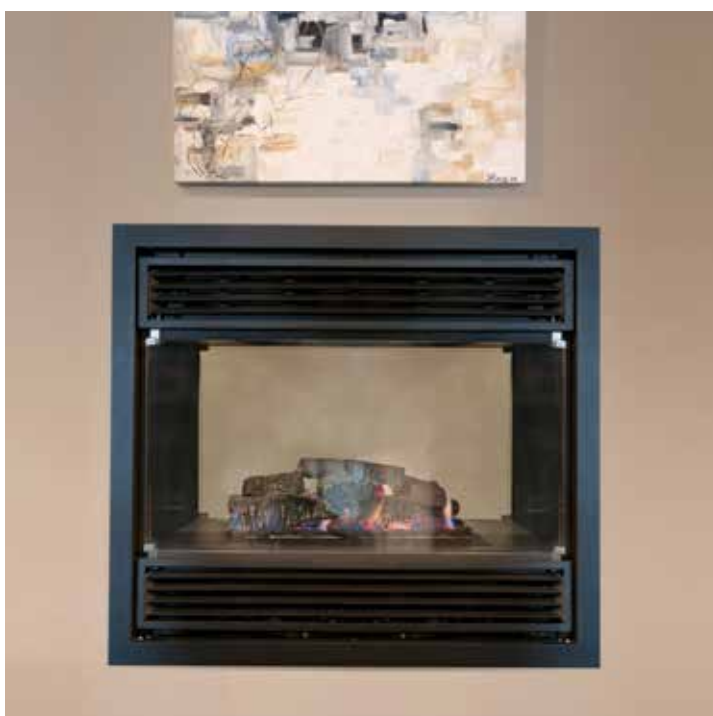

**real flame**  
Leaders in  
Gas Fireplace  
Technology

## Be captivated from all angles

The Captiva Island is available in a two or three sided configuration allowing the home owner to view the fire from two separate rooms, or from three sides in a large open plan area.

This double glazed high efficiency fire has a large heating capacity and uses direct vent balanced flue technology allowing horizontal or vertical termination of the flue.

# Captiva Island
